

JULY 29, 2018

Dear friend of Scott and Sarabeth,

My name is Rod Thannum and I currently serve as the President of the Board of Joy Media Ministries. Joy Media Ministries is the parent ministry of KCAM Radio in Glennallen, Alaska. I am writing to invite you to partner with Scott and Sarabeth Hill, who are in the latter stages of raising prayer and financial support to join KCAM.

I first had the opportunity to work with Scott Hill in 2003 when Scott helped move KCAM from their original studios into their current location. Prior to that we had collaborated on projects in Alaska over the phone and with email. When Scott and Sarabeth moved in 2010 to work with Western Indian Ministries I joined their support team financially and have been a prayer and financial supporter of their ministry to this day.

Having worked with Scott over the years I can attest to his sincere love for the Lord and his desire to use the skills and talents the Lord has provided him in a way that honors our Lord and helps move the Kingdom of God forward. I am writing this letter from Alaska as I am finishing a two-week trip to KCAM where I have just once again seen first-hand the work of KCAM in the Copper River Valley and seen the urgent need for a family with the heart and skills of the Hills.

Matthew 9:37/38 says, Then he said to his disciples, "the harvest is plentiful but the workers are few. Ask that the Lord of the harvest, therefore, to send out workers into his harvest field." As I left Glennallen the Hill's financial support level had just crossed the 80 percent mark. They need just over \$1,200 in monthly support as well as moving expenses before they can join the ministry in Alaska. I am asking you to prayerfully consider joining the Hill family in supporting them and their work at KCAM in order for them to join the field that the Lord has called them to. We would like to see them here in September, before winter sets in. Enclosed is a form detailing how you can make a donation. Thank you for your consideration.

Warm regards,

A handwritten signature in cursive script that reads "Rod Thannum".

Rod Thannum
