## Alaska Or Bust!

Reinforcing the suspension on our Van and Trailer, writing this newsletter, studying The Milepost, mapping our path, stocking up on camp food, cleaning and reorganizing –

**THIS is the LAST Week!**

### You really have been PRAYING!

God, in His great mercy and love, has answered prayer positively for us as He has brought us up to **100%** of our monthly need of \$6500. He also did it in under a year from when we started support discovery. Praise The Lord! We are on our way to KCAM in Glennallen, AK.

So, this is it! No more waiting to head north, we are in the LAST days before it is ALASKA OR BUST. Our days are filled with preparations, final goodbyes, figuring out details, spending time with family, rearranging our gear and baggage, getting the ants out of the trailer, and trying not to anticipate too much what things will be like in a couple of weeks when we arrive on the field.

It has been a short year that began seemingly so long ago. A lot has happened and the one thing we can gladly say is that God was in it all the way! Jeremiah 29:11 (NASEC) [11] 'For I know the plans that I have for you,' declares the LORD, 'plans for welfare and not for calamity to give you a future and a hope.'

Thank you for praying for us, what a privilege it is to have the family of God to share the burden of prayer with. Thank you for committing to continue to pray for us as we continue in Our Father's business. Please pray that we would see the remainder of our Outgoing Expenses need filled (~\$2500), by the time we hit the field. Please take your PRAISE to Him for what He has accomplished for us and the ministry of KCAM.

In His service, Scott & Sarabeth Hill and family

## What's going on at KCAM? / Getting involved

Friends and partners the Dukes (pictured on front) visited the KCAM studios in Glennallen this past summer. They knocked on our trailer door but, unfortunately we were not there yet. You can come too! KCAM **needs volunteer teams** to help finish projects like those pictured here. One of our churches is trying to put a team together as soon as October 2018. Right now there are three construction projects KCAM has going on: the KCAM house – (upstairs and downstairs) and Michelle Eastty's cabin. Please pray and see if God would have you help with these or future projects.
