

Merry Christmas!

From the Hillside

2020 Vision With 2020 Hindsight

Micah 6:8 (nas-ec) – He has told you, O man, what is good;
And what does the LORD require of you
but to do justice, to love kindness, and to walk humbly with your God?

Celebrating the birth of Christ the LORD!

Although we know that we can never have perfect (2020) sight while still living in this world – it is still exciting and awesome to look back (hindsight) a ways and see how God has been working and has guided our paths to exactly where He wanted us to be at the end of our second decade of marriage and our service together in His mission. We celebrate this Christmas with great anticipation of discovering His plan for our family in the coming year as we look back at how He has been preparing us for the next decade in our lives!

Together with YOU our friends, family, supporters, prayer warriors, encouragers, and critics – God has truly gathered a magnificent team to accomplish His will. THANK YOU for being an amazing partner in ministry with us!

Count your blessings! (2020 hindsight)

- God changed our place of ministry and answered the prayers of the KCAM staff for an engineer.
- He increased the team size with new partners and raised the additional support needed.
- He gave us safety in travel and provided wonderful housing.
- God provided the means for our family to survive on the field through donations of food, clothing, support, gear, transportation, friends, a church to attend, and a good educational situation.
- He helped Scott to complete many of the tasks at KCAM that were on the list needing some technical expertise and through your prayers helped him get the new database software online and usable for the end of the year.
- He has blessed us with new contacts with whom we are building relationships to share His Love and Salvation.

Prayer & Praise:

- *Pray* for Scott as he diagnoses our Suburban and decides how it will be worked on to be drivable once again.
- *Praise* God for a smooth transition into the new database software at KCAM.
- *Praise* for His Son and the new life and salvation He gave us in Christ!
- *Pray* that the Gospel would be heard clearly on the airwaves of Christmas on KCAM!
